

CLEAN-N-CLEAR – Safe Non-Toxic / Non-Corrosive / Non-Regulated

Applications: Building cleaner exterior and interiors, safe on all glass surfaces. Removes acid rain, hard water stains, rust, oxides, dirt, grease, grime, etc. Safe in indoor cleaning applications, hard surface cleaner. Designed to remove stage 1⁽¹⁾ water spots from alkaline buildup, hard water, sprinklers, acid rain, and calcium on glass. Eliminates alkaline residues, exhaust particles, chemical and mineral deposits, water spots and the runoff from brick, concrete, mortar and even RUST. Excellent for new building cleanups.

Usage:

- General window / building cleaning use at 1:50 (2% or 2 oz per gallon) with water, rinse with water.
- Spot removal: 1:10 to full strength depending on the severity of the stains, rinse with water. For heavy stains use a hot pressure washer or scrub lightly with a sponge with a non-scratching surface.

Typical Usage Parameters:

	Clean-N-Clear
Description	Mild effective cleaner
Use concentration:	
Spray/Squeegee	1% (1:100)
Floor scrubbers	1% (1:100)
Rust Removal	50-100% (1:1 - 100%)
Operating temperatures	70 up to 210°F
Foaming Properties	Excellent
Floor Scrubbers	•
Concrete, brick, granite, Glass	•
Ferrous metals	•
Aluminum/brass/copper	•
Oil Splitting formula	YES
Hard Water Stability	Excellent
Safe on Plants	Yes
Color	Clear (No dye)
Odor	None

Physical Properties:

	Clean-N-Clear
pH, concentrate	3.5
pH, @ 1% bv	4.5 to 5.0
Bulk density, #/gal	9.2
VOC (concentrate)	Zero
Flash point	None
Chelates	None
Water solubility	Complete
Biodegradable	Yes
Silicates / HF / HCl / Phosphates	No

Removes Type 1 Water Stain/Spots

⁽¹⁾Type one water spots have not “etched into the glass and are still only surface stains.

SPECIAL NOTES: This product does not contain Hazardous Ingredients. Many products on the market make these claims yet still contain Solvents and Harsh Acids like HCl (hydrochloric acid) HF (hydrofluoric acid). These acids are extremely dangerous and should be avoided.

Storage: Keep out of direct sunlight. Keep from freezing. Store between 40-120°F.
