## About NuGenTec:

Since 1997, NuGenTec has specialized in working closely with our customers to develop custom products and services to meet specific requirements? We can make it and supply it anyway you want it. Ask your representative for more information or visit our website at [www.nugentec.com](http://www.nugentec.com). We have been working hard expanding our product lines and offer an extensive array of products. Some exciting new additions we have our O-rings, gaskets and seals; a Zero VOC Cold Patch Asphalt repair material, and a fully diversified Government Contracting business unit. Our specialty chemicals group has expanded from Formulated/Compounded chemistries, to Reagent grade chemicals and Inorganic chemicals, Performance Solvents from DuPont, 3M and Solvay a Pharma/BioTech Group offering down-packed chemicals from BASF and Rhodia just to name a few.
